

**Tickets, Complimentary for Athletic Events**

---

The Chancellor approves a "standard" list of complimentary game tickets for athletic events. Complimentary tickets are issued based on the overall benefit to the University and the Athletic Department. Major contributors to the University, key supporters (especially those who have donated time and effort to support the institution), University officials, and state and public officials are the individuals that would be considered for complimentary tickets.

The Men's Athletic Director and the Women's Athletic Director have delegated authority to assign some tickets on a discretionary basis, within the guidelines listed above.
