

**Installment Payment Plan for Tuition and Fees**

University students may pay current tuition, fees, and housing charges for the semester by installment payments. The University charges a \$25.00 non-refundable administration fee for this service. The Installment Payment Plan will not be considered complete until the student has selected a payment plan option in ISIS (Student Information System).

The Installment Payment Plan must be renewed each semester.

Changes in financial aid, enrollment, housing, or any other charge may cause the account balance to change, resulting in a change in the monthly installment amount.

Financial Aid and scholarships are applied to the student's account as they are received by the University of Arkansas, reducing the amount of the monthly payment. If financial aid or scholarships pay the account in full, the payment plan becomes invalid but still incurs the administration fee.

The Installment Payment Plan and terms of agreement are available in ISIS. The terms of agreement are also available on the Treasurer's Office website at [http://treasurer.uark.edu/Payment\\_Plan.asp](http://treasurer.uark.edu/Payment_Plan.asp).
