

University of Arkansas Roles and Responsibilities for Financial Administration of Sponsored Programs

The following document has been prepared to provide documentation and guidance for the various persons involved in sponsored programs on the University of Arkansas, Fayetteville campus. This document defines the roles and responsibilities of the various individuals involved in post award sponsored program administration so that individuals occupying such positions will understand what is expected of them. Adopting this document as policy also provides assurances to sponsors and potential sponsors that we have considered the various requirements involved in administering sponsored programs and have appropriately assigned responsibility to meet those requirements.

Principal Investigator

- Authorizes financial charges that are allocable to the sponsored project.
- Attests to the allowability, allocability, reasonableness and necessity of all expenditures when initiated.
- Initiates hiring/assignment of personnel working on the sponsored project.
- Responsible for the completion, accuracy and timeliness of all technical reports and other deliverables, e.g., prototypes.
- Responsible for making sure that effort certifications are completed for all payroll charges to the Principal Investigator’s sponsored programs cost sharing cost centers.
- Reviews and approves subcontract agreements and payments.
- Participates with the Departmental/Center Financial Administrative Officer in the process of documenting cost sharing/matching costs.
- Authorizes and participates with the Departmental/Center Financial Administrative Officer to initiate requests for rebudgeting of costs on the project.
- Initiates and proposes resolution of any cost overrun occurring on the project.
- Identifies and allocates any program income (such as revenue from sales and services of goods developed in conjunction with a sponsored project).
- Shares responsibility for compliance with all applicable financial regulations by project personnel and reports instances of non-compliance to the appropriate compliance officer.

Departmental/Center Financial Administrative Officer

Advises PI regarding University purchasing and personnel policies affecting financial transactions.

Prepares/Reviews financial transactions on sponsored programs to ensure that the transaction occurs within the project period.

- The cost of the transaction is reasonable.
- The transaction is allowable.
- The transaction represents a reasonable allocation of the cost.
- Project funds are available to support the transaction.
- The transaction is treated consistently with regard to direct/indirect cost designation in accordance with Fayetteville Policy and Procedures 310.1.
- Submits and/or approves all expenditure transactions for sponsored program cost centers in the BASIS system.

Prepares documents/transactions and provides information for assignment of individuals to sponsored project(s).

- Processes financial transactions
 - Assigns correct commodity codes and category codes, provides information and processes purchase documents.
 - Prepares and initiates processing of cost sharing/matching transactions.
 - Prepares and initiates processing of program income documents/transactions.
 - Reviews available balances to ensure adequate budgets exist before submitting financial transactions.
- Consults with PI to prepare requests for cost transfers and 90 day forms with appropriate signatures when necessary.
- Consults with PI and initiates transactions to resolve project cost overruns.
- Processes documents to record program income.
- Provides information to Research Accounting for final financial reports.
- Reports instances of financial noncompliance with applicable award terms and conditions, institution policies, and/or regulations to the appropriate compliance officer as designated by top management of the institution.
- Reviews assigned sponsored program cost centers at least monthly to ensure that adequate budgets are available for proposed obligations and to ensure that posted project expenditures are reasonable, allocable and allowable.

Department Chair or Center Director

- Maintains local oversight for the allowability and reasonableness of all project expenditures.
- Approves advanced cost center requests and provides contingent funding in case sponsored program agreement is not consummated.
- Seeks advice and shares responsibility with the PI regarding the oversight for the implementation of state, federal and University financial policies and regulations at the unit level.
- Ensures A-21 effort certifications are completed timely by the appropriate people for departmental employees where required.
- Shares responsibility with the PI to ensure financial compliance with applicable external and internal policies and procedures and regulations for sponsored projects within department/center and reports instances of noncompliance to the appropriate compliance officer as designated by the top management of the institution.

Dean's or Agricultural Experiment Station Director's Office (or Designee)

- Assists faculty in preparing and submitting timely proposals.
- Approves source of cost sharing/matching funds.
- Approves all sponsored programs Expense transfers for transactions over 90 days old (90 Day or Older Cost Transfer Request Form)
- Identifies funds to cover project cost overruns per Fayetteville Campus policy 329.2.
- Provides funds for uncollectible sponsored programs per Fayetteville Campus policy 329.2.
- Provides guidance in sponsored project matters that cannot be resolved at the department level.
- Investigates instances of financial noncompliance and reports discovered instances of noncompliance to the appropriate compliance officer as designated by the top management of the institution.

Agricultural Experiment Station Director's Office

- Assists faculty in preparing and submitting timely proposals.
- Approves/disapproves rebudgeting requests in accordance with sponsor requirements and applicable policies, cost principals and regulations.
- Approves with signatory authority contracts, grants, cooperative agreements and subrecipient agreements (within limits set by Fayetteville policy 220.0).
